INVITATION

Friends,

As winter of 2018 closes in upon us, it is time for the annual dental trade expo EXPODENT-2018. This year, this event is being held on 15th & 16th September at Palms Resort, Zirakpur, Chandigarh.

As you all would know by now, EXPODENT is not just another trade exhibition with the same products every year. We at Expodent always strive to raise the bar, to make each year better and different from the previous years by showcasing products that reflect global benchmarks and standards. We aim to bring the global best to Indian dentistry. By providing a forum for mutual interactions and engagements, a conducive atmosphere to study, see and imbibe the current best practices is created. We ensure that dynamism, not monotony is the enlivening thread in EXPODENT.

We are sure that all our esteemed colleagues from the dental fraternity will support and encourage us as always, by attending this event in large numbers, offering their valuable inputs and opinions which we will surely incorporate in our future endeavours. We eagerly look forward to meeting you on both these days.

With Best Wishes
Looking Forward To Meet You On 15th & 16th Sep, 2018
At Zirakpur, Chandigarh
