*Dear colleagues,*

*We are extremely happy to extend a warm welcome to **Expodent, Kolkata** on **6th and 7th April 2024**. As you are aware we are conducting Expodent every year in Kolkata. This is going bigger and bigger every year especially after the opening of “**Biswa Bangla Mela Prangan**” which is a state of art exhibition centre with excellent facilities, being centrally placed, and well connected, having plenty of parking facilities etc. This is really a boon for exhibitors and people who are attending the conference.*

*Kolkata has been the centre of eastern states, everyone is well connected, not only holding historical significance and also catering to traders of eastern India and neighbouring countries like Bangladesh. Considering the rapid growth of Expodent, Kolkata similar to Expodent International India, the dental fraternity has identified its position as a great breakthrough and every year growth and footfall are tremendously increasing. We expect this year's Expodent to be a great show.*

*Association of Dental Industry and Trade of India (ADITI) and its members and our colleagues from international community always dedicated to put up state of art technology in dental equipment, material and instruments etc to make win win for all who attends the conference whether traders, technicians, doctors, hygienists, anyone including medical fraternity, medical dealers also have great scope in learning dental equipment.*

*Since limited space available in Kolkata Expodent, we appeal to everyone to book your stall immediately to avoid disappointment later. We look forward to your participation to make this event a grand success.*
