INVITATION

Dear Sir / Madam,

ADITI (Association of Dental Industry and Trade of India) is committed to organizing Expodents, the mega event held at least 4 times a year in different parts of our country bringing together members of various branches of dentistry – Dental Specialists, Practitioners, Technicians, Students and Manufacturers & Distributors of Clinical as well as Laboratory Dental Equipments, Instruments and other Materials.

Encouraged by the success of earlier Expodents and keeping in line with the objectives of ADITI, Expodent 2018, Chennai is to be organized on the 7th and 8th April, 2018 at Chennai Trade Centre by ADITI South Zone.

Since South India is now home to a large number of speciality dentists, dental clinics and hospitals offering the best range of services to the increasing demand, as a result of wider awareness in Dental Health; Expodent 2018, Chennai would see a confluence of enthusiastic members of the entire Dental Fraternity and of eminent experts in the Industry & Trade. It will also serve as a platform for professionals and students to learn new technologies and innovations in this specialized field.

Thus, Expodent 2018, Chennai is expected to be one of the greatest shows in India in 2018 successfully tapping the useful and knowledgeable resources in Dental Industry. We request all of you to participate in this knowledge confluence and make it a grand success.

Please do write to us if you have any suggestions or queries.

Thanking you, in anticipation.
